This is a big thing to consider, as bags in many cases will pay the freight.

WHY PRICES ARE QUOTED ON PRICE LIST

SPECIAL—As it requires several months to complete a large catalog, such as we issue, it is necessary to start printing it early in the fall, before crops are fully matured or values permanently established, so we are obliged to omit prices on the larger amounts, making our lowest prices in our Price List. The prices quoted in the Price List are our correct and prevailing quotations. Use only these prices, except on smaller amounts which are quoted postpaid in the catalog. Bear in mind that the prices in the Price List do not cover postage on Field Seeds, but Garden Seeds are postpaid, except Peas, Beans, Sweet Corn, Pop Corn and Onion Sets.

We shall issue this Red Price List from time to time, as occasion demands.
